Nov 12th, 2014 · by Salisbury Independent

More than 300 people gathered at The Fountains Wedding & Conference Center last week to celebrate the Community Foundation's charitable leadership and accomplishments during the past year. The 2014 annual meeting and awards luncheon theme was "Planting seeds for good in our community."

The Community Foundation's Richard A. Henson Award for Nonprofit Excellence was presented to Salisbury Wicomico Arts Council and The Magi Fund Inc. as the region's outstanding two nonprofit organizations.

The Magi Fund was founded for the sole purpose of raising funds for the Joseph House Center and Christian Shelter, two nonprofit organizations meeting critical needs on the Lower Eastern Shore.
